

ENVIRONMENTAL POLICY STATEMENT

Image Factory is one of the UK's leading manufacturers and distributors of point of sale for the retail sector and leading brands. We design and supply innovative window displays, large format print on almost any substrate and creative 3D cardboard engineering

Image Factory readily acknowledges that it has both a moral and a legal responsibility to minimise its impacts on the environment. In order to meet this responsibility the company is committed to establishing, maintaining and continually improving a documented, effective and efficient Environmental Management System. This system forms part of the business management systems of the organisation and is designed to meet the requirements of all current applicable legislation, and ISO 14001.

In order to meet its responsibilities Image Factory is committed to:

- seeking opportunities to continually improve the operation of its Environmental Management System;
- preventing pollution as a result of its activities, products and services;
- complying with all relevant environmental legislation and regulations;

Relevant objectives for the Environmental Management System are set to enable the effectiveness of the system to be measured. These objectives are established as part of the Management Review process and are reviewed for adequacy on an annual basis. Objectives are contained in the document ENV03 – Environmental Objectives and are communicated to all employees.

The requirements and processes of the Environmental Management System are documented. Copies of the relevant documentation are made available to all employees. In addition the company will provide instruction and training to ensure that all employees are aware of their individual environmental responsibilities and are competent to undertake allocated tasks with a significant environmental impact.

This Policy Statement is reviewed for suitability to the on-going operations of the organisation on an annual basis as part of the Management Review process.

Copies of this statement are made available to members of the public upon request.
